Hiring Manager

Siemens Gamesa Renewable Energy Pvt. Ltd.

Bengaluru, Karnataka

Subject: Application for Software Testing Internship

Dear Hiring Manager,

I am writing to apply for the Software Testing Intern position at Siemens Gamesa. I am a Computer Science student with hands-on experience in software testing, full-stack development, and DevOps. I've built scalable projects using React.js, Node.js, and AWS, and I'm actively enhancing my testing skills through API testing (Postman), automation practices, and CI/CD workflows.

As a frontend intern at Healthletic, I've led the frontend team, delivered clean, testable code, and collaborated across teams to ensure performance and quality. I'm excited to apply these skills and contribute meaningfully to Siemens Gamesa's impactful work in renewable energy.

Thank you for considering my application. I look forward to the opportunity to contribute and grow with your team.

Sincerely,
Gaurav Singh
